

Eternity Revealed

Message by Tom Hadfield, 7th April, 2019

Scripture Reading: Psalm 33:1-9

Sermon Outline

If those who have passed on before us could talk to us, what would they say?

- Urge us to full submission to God.
- What is unseen is much more real than what we experience in this life now.
- Don't be so concerned about your mistakes. Go and redeem you from your mistakes. God is great enough to work all things for His good.
- You ain't seen nothin' yet.
- Don't get all focussed on your little earth when heaven awaits you. You've got to get your eyes heavenward.

Heaven or Hell

We never think that we're going to die any time soon. We all think it's going to be the other person. But one day we will face eternity.

God doesn't want anyone to go to hell, not one single person. He went to extremes to rescue us and bring us into the haven of His kingdom.

There are three types of hell

- **Personal** e.g. self condemnation
- **Around us** e.g. war, terrorism, persecution
- **In the future**

What is hell like?

- Death – separation from God but **God is life.**
- Darkness – outer darkness, no light..... but **God is light.**
- Despair – no love, no kindness, no goodness, no joy but **God is love.**
